- The Tomori-Lubesh-Kapinove area is now closed to all traffic and is, to all intents and purposes, hermetically sealed.
- There has been a speeding up in the delivery of material which was previously reported. For instance, on 4 No. 1949, between 6:00 a.m. and 4:00 p.m., 29 2. trucks, with covered loads, repertedly passed through Berat going in the direction of Carevoda. All the chicles were military and security personnel sat next to the drivers. In add blon to these covered trucks, other trucks, laden with electric cables, have seen, but only at night.
- The first control post on the Berut-Carevoda highway has been installed at the "Proletarian Revolution" Bride, which is 300 m(meters?) south of Berat. The next control, which consists of necurity personnel, is at Quahjaesi (sic), a small village consisting of this farms from which the inhabitants have been deported, and which is located 7 kms, south of Berat.
- At Berat there are two gasoline purps, one of which is reserved exclusively for trucks moving in the Berat-Vertop direction. This pump delivers 650 liters daily. The distance between Bers and Vertop is 17 kms.
